***Reasons for Allowance***

Claims 1-14 allowed.

As to claims 1-8 and 10 the prior of record, taken alone or in combination, fails to disclose or render obvious an optical flow cell comprising a two piece shell formed from separate first and second portions, said portions each having an inner surface providing a bonding channel adapted to receive a bonding material for joining said first and second portions together wherein said first portion provides a light entry aperture and said second portion provides an imaging aperture, in combination with the rest of the limitations of claims 1.

As to claims 9 and 11-14, the prior of record, taken alone or in combination, fails to disclose or render obvious an optical flow cell comprising a first portion that provides a light entry portion, a second portion that provides an imaging aperture wherein said first and second portion mate with one another to capture inlet tube, outlet tube and viewing assembly therebetween, in combination with the rest of the limitations of claims 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
